EXT. SUBURBAN SCHOOL

Jimmy Parsons, math book in hands, nervously walks up a group of hooded boys standing in a circle behind Kennedy High School. He takes out a sheet of paper and slowly walks up to the group, waiting for them to notice him.

JIMMY

Um, excuse me?

The group ignores him.

JIMMY

Um, excuse me I'm here to -

DJ GERALD

Hold up...who is this clown?

JIMMY

Um, Hi, My name is Jimmy, I'm here to try out for Rap Club.

The group laughs hysterically.

DJ GERALD

You?! Try out for Rap Club? Man, you got some jokes that's for sure.

WIGGITY-WILL

Oh what the H! This pickle is A JOKE.

JIMMY

I filled out the tryout form, I have all the signatures.

THE DANGER ZONE

Oh this kid cannot be serious right now!

JIMMY

I'm very serious, sir. I am very confident in my rapping abilities and I'm positive that I would be a excellent addition to your club.

DJ GERALD

What are you sayin' bro? You sayin' your better than our club?

JIMMY

No, no, I'm just saying that you could expand your club, and having

WIGGITY-WILL
Collabo-WHAT? This kitty cat cannot
be REAL.

DJ GERALD
This is a joke right? Go home and
do some math problems.

THE DANGER ZONE
NERD.

JIMMY
I'm serious. According to the
student handbook I have every right
to try out for this club.

THE DANGER ZONE
Yo, yo, look at his glasses! Ha ha!
Sorry, Harry Potter, why don't you
go play magic with Ron and that one
girl.

JIMMY
It's Hermione. Read a book. And I
bet I'm fully capable of spitting
some sick rhymes, maybe better than
you.

Everyone goes silent, then starts to laugh again.

DJ GERALD
You should do stand-up man, this
shit is HILARIOUS. What makes you
think you can beat me? I see
nothing but a nerd in a lame-o
shirt.

JIMMY
I'll have you know this shirt is
from Bloomingdale's. And I'm not
scared of you.

DJ GERALD
Oh really? Show me your shit then.

JIMMY
Why don't you come find my...shit?

The crowd ooh's.

THE DANGER ZONE
OH SNAP. I think I smell
something....IT'S A RAP-OFF.

The group cheers.

DJ GERALD
Alright...as the leader of this
group I would like to challenge you
to battle. A battle to the death.

JIMMY
According to the handbook there is
not supposed to be any violence
during-

DJ GERALD
Listen fool! If I win, you're done.
If you win, we'll let you in. Hell,
I'll even let you be the boss.

The group ooh's again.

JIMMY
Sounds good to me. Let me just take
off my glasses here.

Jimmy takes his glasses off and puts them into a leather
case. The group looks at him strangely.

DJ GERALD
Aight, here we go boys!

A few members of the group start a beat.

DJ GERALD
Uh - yeah - uh - check me
out My name is DJ GERALD you
can call me Jerry - I like my women
but I don't like 'em hairy - I walk
up to this clown all in his face -

The crowd goes wild. Wiggity-Will steps up.

WIGGITY-WILL

The crowd again goes wild. The Danger Zone jumps in.

THE DANGER ZONE

Let's do this! Uh- yeah - what? -
Listen UP. I'm always talkin' to
girls on the phone - they ask me
why my name's The Danger Zone - I
point 'em down south just like a
ranger - cuz this area here is full

For the thrid time, the group goes crazy, and is howling at Jimmy.

DJ GERALD

Yo, this beat is sick that's all
I'm sayin - I got this haterade
that I'm still sprayin' - I don't
know what you're gonna do - cuz

With the beat still going, Jimmy takes a deep breath.

JIMMY

Everyone once again goes wild, even more so than before. DJ Gerald, Wiggity-Will, and The Danger Zone are in disbelief. Jimmy stands still and smiles at the three, while the rest of group gathers around him in all his glory. DJ Gerald has to respond.

DJ GERALD

Alright, whatever, let's do this -
Yeah - this shit is real now - uh -
here we go - Don't stop and don't
you stare - cuz I'm not wearin'
underwear - oh what's that I caught
you lookin'? - Um...something badass
about cookin'! Yeah what! Do it
again!

The crowd is silent, anticipating Jimmy's response.

JIMMY

Ok, alright - here we go - uh -
yeah - uh -
I've never heard something worse in
my life - It made me want to die
can you hand me a knife - you ain't

someone in the sand - you're momma
don't care she can't make you
dinner - she's makin' it for me cuz
I JUST DID HER. OH!!!

The group yells in disbelief once again. They pick Jimmy up on their shoulders, leaving the three challengers alone. They put him down.

DJ GERALD

Alright! Alright. Quiet. We made a
deal. And I do not back out on
anything. Congrats, or whatever.
You're crew leader.

The group yells again as DJ Gerald embarrassingly moves to the side.

JIMMY

Thank you. Alright, first order of
business, glasses.

Jimmy puts his glasses back on.

JIMMY

Second order of business, let's see
if we can get some gym space, what
do you guys do during the winter?
Even rappers get cold - let me
write this down.
